

## Feel protected with Kal's mechanical services warranty coverage.

Kal Tire guarantees that our products and services will be free from defects for 365 days or 20,000 km, or we will fix it at no charge.

Our Lifetime Steering and Suspension Warranty provides coverage for the lifetime of the part. You can always trust Kal Tire to have you covered.

Mechanical purchases that fall outside of our Steering & Suspension or Brake warranties have part replacement warranty coverage provided equal to what is specified by the parts manufacturer.

### What other mechanical services are included in my warranty?

Wheel alignments performed are covered for a period of 30 days, and brake repairs are guaranteed for 3 years or 40,000 km, when services are performed at any Kal Tire over our 250 locations across Canada.

\*Warranty parts may be substituted with like or similar parts at the discretion of Kal Tire. Warranty repairs shall in no case exceed the costs of the original repair or service.
